SPORTS DAY

Congratulations to all students for their performance yesterday at the sports carnival. Once again it was great to see students simply doing their best. The highlights for me were the students crossing the finish line with a smile – no matter what place they came in the race.

We were quite concerned about having enough time to complete all of the events yesterday with more students enrolled compared to past years. We were however, able to move through the events very smoothly and even finish ahead of time.

Thank you to our parents and families for coming along on the day to support not only your own children but everyone else as well.

Congratulations to each of the age champions for their individual performances and congratulations to the champion house, Grimwood.

REPORT CARDS

This week teachers have been finishing off the final assessment tasks with students for their current units of work. They will then have the time to put these results into the report cards over the holidays. Mr Evans and I plan to read the reports through week 1 of next term and then they will go home with students on the Tuesday of week 2.

CAR PARKING

It has been noticed that families are parking in no standing zones both on Bargara Road and Potters Road. This year we have spent a considerable amount of money building a new carpark so that everyone can park safely when dropping off and picking up their children.

The Police have informed us that they will be doing patrols in the area and checking the parking situation next term. Please park safely!

'A' BLOCK RENOVATION

We have had our final meeting and we have chosen the paint, carpet and cabinet colours and are set to go for the renovation.

The contractors plan to remove the last elements of asbestos inside A Block over the middle weekend of the holidays. The entire school will be closed when this process is taking place.

END OF TERM

Here we are at the end of term 2 with students and staff ready to recharge the batteries. We hope everyone has a safe and relaxing holiday and we will see everyone back on Monday 10th July.

Regards

Chris Norris
Principal

HEAR ME, SEE ME ART EXHIBITION

Is your child creative?

Does your child love art and expressing their thoughts and ideas? The Queensland Family and Child Commission (QFCC) want to celebrate the voices of children, their hopes and dreams and connection to family.

Children and young people (5 - 18 years) are invited to create a piece of art based on the theme 'What does safety, love, joy, hope, trust and family look like to you?' They can choose to focus on one or two words, or all of them.

A selection of artwork will then be showcased in the Hear Me, See Me Art Exhibition, as part of Child Protection Week in September, to help share the voices of children and young people and what matters to them. This is a great opportunity for your child's voice to be heard and for their art to be seen by Members of Parliament, community and industry leaders, as well as the general public.

Children and young people from right across Queensland are encouraged to enter and all types of artistic expressions are welcome. For more information and details on how to enter visit

www.qfcc.qld.gov.au/hearme-seeme

See Mrs Ephraims for more information.

You can bring your own scooter, rip stick etc. each Tuesday & Thursday during the holidays but remember your protective gear (a helmet will be required to participate) & appropriate shoes.

This week we plan to celebrate NAIDOC week through some creative activities inspired by the history & culture of Aboriginal & Torres Strait Islander peoples. Through fun, creative & expressive activities we create opportunities to learn about the diversity of our country. To learn to respect & understand the history of our country & the culture of its people. Exploring how aboriginal artists depict their connections with the land. Adapting this idea to how we can also creatively express our own connections with the land that we now share together.
