ACTIVITY CONSENT FORMS - (Parent Permission Forms)

We are currently updating our procedures for gaining parent permission for all activities where students leave school grounds. For this reason parents will start to see 'Activity Consent Forms' (on green paper). These forms will explain the planned activity and outline any costs.

Students will need to return these forms to be able to participate in the specific events.

This means parents will now need to complete these forms for events like interschool sport.

No form – no go!

ENROLMENT MANAGEMENT PLAN

I have recently been informed that Bargara State School will soon need to introduce an 'Enrolment Management Plan' for future new families wanting to come to our school.

Every school in Queensland has boundaries drawn indicating where the nearest school is located. Schools are not required to enforce these boundaries until an enrolment management plan is required.

Current students and their siblings who live outside our catchment area will not be affected by this plan.

This is a reflection of our growing school and the very positive actions and results that we expect.

COASTAL SPORTS

Next week our nominated students will travel to Wongarra State School for our annual 'friendly' athletics competition against our coastal school neighbours.

The day is a lovely afternoon of friendly competition in preparation for the 'bigger' Bundaberg competition.

Once again Mrs Sullivan has been out training the ball games teams ready to maintain our standing as one of the teams to beat.

P&C MEETING

Last night we held our monthly P&C meeting. Thank you to the nine Mums who were able to come along to the meeting, your thoughts and actions to make our school a better place are appreciated. We would like to encourage parents to come along to the next meeting to find out what the P&C is all about and help us make our school better.

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY (NCCD)

All Education Ministers from Commonwealth, state and territory governments have endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students receiving adjustments because of disability in schools, and the adjustments they are provided to enable them to participate in education on the same basis as other students.

The information will not explicitly identify individual students (subsection 58A(3) of the Regulation); no information that could reasonably enable the Department to identify individual students will be provided by approved authorities to the department.

NCCD information may also be used for policy development undertaken by the Department, including informing funding considerations relating to students with disability, and other policy development as agreed by the Education Council.

Any questions parents/carers or schools have about the completion of the 2017 NCCD may be directed to the relevant education authority contact in the NCCD Guidelines and at www.schooldisabilitydatapl.edu.au/other-pages/contact-us.

Fact Sheet available from the school office.

PREMIER'S READING CHALLENGE

The Premier's Reading Challenge for 2017 has been going well to date. Well done to those students who have already handed in their completed Reading Record sheets. If you didn't receive a record sheet and would like to participate please see your teacher or Mrs Logan in the Library.

Just a reminder that to complete the Premier's Reading Challenge students need to read 20 books at their level in Prep to grade 4 while students in grades 5 and 6 are asked to read 15 books at their level. Preference would be for fiction texts but non-fiction books can be included. Home readers, school readers, school library books, books from home or the town library all count toward their reading goal. For prep to year 2 students this would include listening to stories or reading picture books.

Many students are already reading this number of books as part of their school and home reading programs. The prep and year 1 teachers have been recording books read by their students so they can all be included in the challenge.

Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier.

Completed record sheets are to be handed into the box located in the Library. Students can begin handing in completed reading record sheets as soon as they are completed, final cut-off date for forms is Friday August 25th. Any questions about the Premier's Reading Challenge can be directed to the library staff.

CHAPPY NEWS

True Friend – Sienna from 4B. Thanks for being quick to offer help to others. Your smile and cheerful nature brightens our day. Well done!
Brekky club continues Monday and Friday mornings with the addition of delicious porridge in the cooler months! Bread, fruit and vegetable donations from Breeze Bakery at Innes Park and Aldi Bargara are being used throughout the school for fruit/lunch break and the surplus offered to students to take home.

Empowering Insight – Tempers flare often in a disorganised household, but a good parent's wisdom harnesses anger to find solutions. Pro-active or reactive is always the choice. © Copyright D. Riddell, 2012.

Thanks Bargara, God bless - Chappy Tanya.

NAIDOC WEEK ACTIVITIES

NAIDOC WEEK Activities will run second break each day next week. Come along for fun with art, cooking and dance.

NAIDOC Free Dress Day will be on Thursday 27th. The colour Theme is based on the Aboriginal and Torres Straight Island Flags – Blue, Green, White, Black, Yellow Red. NO GOLD COIN DONATION REQUIRED.

All chocolate drive money is now due back to the office, please send in ASAP.

Woolworths Earn & Learn 2017

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September or while stock lasts, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths. Sticker sheets available at the school office.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you'd like to know more visit woolworths.com.au/earnandlearn

REF GUARDIAN ENVIRONMENTAL GROUP

As you may have heard through radio or TV, large supermarkets are aiming to be plastic bag free in a few months time.

Plastic bags cause incredible problems in our waterways. Students at Bargara State School have been suggesting ways to protect our planet and they actually suggested taking material bags to the supermarket rather than using the plastic ones! Great timing.

This week on parade, Year One displayed all the plastic rubbish they had collected in just one day. The audience sat silent as they noted the line of plastic rubbish, nearly stretching from one side of the shed to the other. Year one reported to the whole school that:

“Plastic is harmful to animals. We want to protect the animals, especially the ones that live in the ocean. Much of the plastic goes into the ocean. We must ALL try to use less plastic and bring our lunch in containers. It is our responsibility. We can make a difference.”

Let's challenge ourselves to cut down on the amount of plastic we use. Remember to take those material bags to the supermarket or remember to re-use containers instead of plastic wrap. If we each make a small change, collectively it becomes a big change! Great news for our environment and setting great examples to our children.

On behalf of all the students, THANK YOU.

ATHLETICS CARNIVALS

COASTAL SPORTS DAY, JUMPS DAY & SALTERS OVAL DAY

Information has been distributed to students who will participate in the local primary school athletics carnivals, Coastal Schools Sports Day held at Woongarra State School and Jumps Day held at St Luke's Anglican School then Salters Oval. **It is important that students return the 'Green Activity Consent Form' with their payment. Students will not be able to attend unless the Green Form is returned.** These days are another opportunity for Bargara State School to demonstrate our great teamwork and determination to do our best.

**Free Dress
"Relay Day"**

Tuesday 8th August

Relay for Life raises vital funds for Cancer Council's research, prevention and support services. Relay celebrates cancer survivors, carers, and their friends and families – bringing communities together.

To raise funds for this great cause we will be holding our annual "Relay Day" on Tuesday the 8th of August.

- Relay Day will be a free dress day with the colour theme 'Purple'. Students are asked to bring along a gold coin donation. The gold coin donation is included in the price of the Meal Deal, if your child is not ordering the meal deal please send a gold coin donation along with them.
- Staff and students will participate in the school relay, staff will be waking from 7am (parents are welcome to join in) and each class will take it in turns to do laps of the oval throughout the day from 9.15am-2.30pm. The class who completes the most laps in their 15 minutes will win a prize.
