## KICS EXPANSION SURVEY

We are conducting a survey through the school to assess the growing need for an expansion to the current Outside School Hours Care service (OSHC) - KICS.

OSHC programs can provide care for school age children before school commences, after it finishes and during holiday periods. These programs are of great benefit to both children and families, as parents can work or study while the child is enjoying the benefits of a safe, caring and stimulating environment.

The programs provide breakfast, morning and/or afternoon tea and opportunities for children to participate in activities like art/craft, drama/dance, sports, indoor/outdoor games, cooking, socialising, homework and excursions, all with skilled and qualified educators.

Fees are reduced for eligible families with Child Care Subsidy (CCS) entitlements. The CCS percentage is determined by Centrelink using families assessable income as well as the activity test.

Your assistance in completing this survey would be much appreciated.

Please return your completed form to the School Office ASAP.

Name: \_\_\_\_\_

Email Address: \_\_\_\_\_

Ph Number: \_\_\_\_\_

NUMBER OF SCHOOL AGE CHILDREN: \_\_\_\_\_

*Please tick appropriate boxes*

### 1. Does Your Child/Children require care for?

BEFORE SCHOOL CARE? [ ]
