Reading Eggs Subscription	Bargara State School has taken on the 'Reading Eggs' computer program as one of our strategies to improve student reading in Prep, Year 1 and Year 2. We have negotiated a school deal of \$15 per year for each student. This will give students access to the program both at school and home. Once the school year has started and classes settled, we will invoice parents for the \$15. Each student will be given their own individual program so it is important that each child subscribes.
