FROM THE PRINCIPAL’S DESK

WELCOME BACK TO TERM 3

On behalf of our school I would like to welcome everyone back for term 3. We would also like to offer a special welcome to those new families who have joined our school community for the first time.

Semester 1 Report Cards
Congratulations to the students of Bargara State School on their Semester 1 reports. As we read through the reports we continually get the message of students trying to do better than their best. This continual striving to do that little bit better all adds up in the end to make a significant difference.

Mrs Girola and I are moving through the final class sets of report cards ready for them to be printed and signed on Monday. They will then be sent home on Tuesday with every child. They will be placed into an envelope and it will be up to students as to when they open the envelopes. Please discuss this with your children as to when you would like them to open and read the reports.

As we read the reports we pick up the occasional error in some of the wording / typing. If you pick up an error that we have all missed, please let us know and we will correct this error and reprint the report.

3 Way Reporting
This term we have moved forward our team discussions with parents and students to the middle of term 3. Each teacher will send home a timetable in the coming weeks for families to book a suitable time. It is planned that these reporting and goal setting interviews will take place of Weeks 4/5/6 of this term.

NAIDOC Week – Voice, Treaty, Truth
Next week Bargara State School will celebrate NAIDOC week at our school. Mrs Bentley and Ms Fisher have organised a series of lunchtime events throughout the week. From damper on Monday to face painting and boomerang painting during the week, I am sure there will be a lot of students enjoying the activities.

Special Unveiling At Parade Next Week
For a little while now we have been planning a special piece of artwork to celebrate and promote our schools ‘Reef Guardian’ message. Our plan is to put this artwork on an external wall so that our community can see this important message every day. At parade on Monday, together with some of the key people involved in the project so far, we will unveil the first ‘completed’ step of the artwork.

I have had a ‘sneak peek’ at the pieces and quality of the artwork is exceptional. So good in fact it is raising the dilemma of ‘are they too good to go outside’!
