P&C Thankyou's

Last night we held our 2021 P&C AGM. This is an important meeting for our school each year as one P&C leadership chapter closes another one opens.

Over the last 3 years our P&C has been led by our President Dee Riley. Many parents would remember Dee from her end of year speeches at our concerts. Dee has been the most wonderful P&C President. At the meeting I used words such as Kind, Fun and Caring to describe the way she has supported our school. With Dee's daughter moving onto high school in 2021 it was unfortunately time for Dee to step out of an executive role.

Supporting Dee over past years has been our Secretary Mr Chris Rowe. Apart from completing the role of Secretary with great precision, he has also been a fantastic support when making carefully considered decisions. We still have the pleasure of his company for a few more years but he has stepped back from an executive role in 2021.

Mrs Tanya Homer has also stepped back from the Vice-President executive role in 2021. Mrs Homer has held different executive roles over a number of years and her flexibility to support the school where needed has always been appreciated. We still have the pleasure of Mrs Homers support on the P&C as well as in the front administration office.

Mrs Toni Misfud has been our Treasurer and main fundraising coordinator in 2020 and in the middle of a hectic year did an amazing job coordinating our Subway days, raffles and stalls. Toni has stepped out and up in terms of executive role for 2021.

This P&C team who have also been supported by Mrs Gemma O'Shanesy and Mrs Holly Snell over the years have played a significant part in some major school achievements. Achievements such as our Prep and Year 1/2 playgrounds, running of and eventual handover of KICS to Helping Hands, our hugely successful fete and now the beginning steps of our sporting precinct.

On behalf of the students, staff and wider school community, thankyou for all of the time, effort and consideration that you have given to these important roles.

2021 P&C Executive

The next chapter begins now with a new team of executive and I look forward to working with them to continue our momentum forward through 2021.

President – Toni Misfud

Vice President – Kathy Gordon

Treasurer – Lisa Sippel

Secretary – Vicki Larsen

Our Positive Behaviour for Learning (PBL) Reward System

As part of our Positive Behaviour for Learning (PBL) framework, we have in place a school wide reward system for all students. As part of this system all students have a Bargara PBL Scholars Award chart with 50 spaces on them and will be working to complete 2 of these charts in the term. All staff will be looking for those opportunities to provide students with acknowledgement and positive feedback for demonstrating the behaviours of someone who is a safe, respectful and responsible learner. In recognition of student achievement, staff will be hosting a Bargara PBL Scholars rewards session on the last day of Term 1 for students who complete 2 of these cards by then.

When we have high achievers (and we have a LOT of high achievers at Bargara SS 😊), there will then be an opportunity to complete an additional PBL Bronze chart to work towards earning a PBL wristband.

Following Bronze, students can work towards achieving a Silver award which earns them a ribbon and Gold which earns the student a fantastic gold PBL turtle pin 😊

In the Playground students can receive tokens for being safe, respectful and responsible in these areas 😊 which go towards awarding a PBL Class of the Week and contribute to our House Competition 😊

While PBL is not about the 'thing' they earn and much more about the feedback and positive acknowledgement, earning a reward does give students an opportunity to be proud and showcase their achievements for being better than their best!

Why do we reward students you may ask? Because science and research tell us that the quickest way to change someone's behaviour (to improve desired behaviour) is to point out what they're doing right and to put more emphasis and attention on the positive behaviours we see 😊 Try it at home and see how it goes. It works!

For us at school, it is all about being the best learners we can be! We can't wait to start celebrating and acknowledging the amazing students we have here at Bargara through our rewards program 😊

Please feel free to contact the school any time if you have any questions 😊

Warm regards,

Bec Rayner

CHAPPY NEWS

Hi wonderful Bargara School community!

I hope you have all had a wonderful week!

The year 6 leaders and myself, have had a very productive week trying to complete the Reef Guardian's artwork for Mrs Sergiacomi; a reef scene board made from bottle tops. We are so close to finishing but have now found we are in need of silver and gold plastic bottle tops to finish the board.

If you would like to make a donation, we are asking for them to be dropped into the school office. The lovely admin ladies will then pass them on to me. We hope to have it completed within the next 3 weeks. This would be very much appreciated!

I hope you all have a wonderful weekend and keep safe.

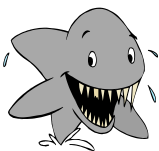

I look forward to seeing your smiling faces next week!

SPORTS HOUSE SHIRTS

In preparation for our inter-house sports carnival we are offering free screen printing of our house logos onto a shirt supplied by you. To help support their teams we encourage students to wear their house colours for the day.

If you would like to have this done please place a sheet of newspaper into your child's shirt with their name clearly marked and place into a plastic bag. This will help considerably in the screen printing process.

If you are not sure what house your child is in, house lists will be displayed on the notice board in the office foyer or alternatively please contact the school office on 4150 5333.

Please hand your shirt into the office by Friday 12th March 9am. No late shirts will be accepted.

The raffle will be drawn at school on Wednesday 31st March.

BUNDABERG SCHOOL SPORTS TRIALS AGES 10 - 12 YEARS

Throughout the year, a number of sports trials are held for students to gain selection in a Bundaberg District School team.

This allows students to participate at Wide Bay Regional School Sports trials which could lead to a State Carnival and the possibility of Nationals.

Miss Phillips will have nomination forms for students who are interested in participating in these trials. A calendar of these trial dates has been put on the noticeboard near the office,

As information on each trial is sent through Miss Phillips will inform the students.

At present Miss Phillips has forms for AFL, Swimming and Softball & Golf.

It should be noted that students must show a high level of skill and knowledge of the game and preferably be playing the sport at a club level to be nominated for these trials.

Preference is also often given to 11 and 12 year olds unless there are specific 10 Year old events (e.g. cross country, athletics, rugby league and swimming.)

Clean Up Australia Day - Every Day Clean Up

This week our school proudly participated in Clean Up Australia Day by cleaning up in and around our school.

As well as participating in the flagship Clean Up Australia Day event held on the first Sunday in March, we encourage communities, schools and businesses to help Clean Up Australia every day. Make a difference and join the team to help clean up your local parks, beaches, bush land & streets.

There are local clean up events being held this Sunday in our region and it is a great opportunity to get involved and talk about environmental awareness and our environmental footprint with your families.

Don't just do it Sunday but make it an everyday habit to pick up rubbish wherever you go! Small things can make a BIG difference. If everyone picked up just 1 piece of rubbish everyday, that would mean our school community would pick up over 1000 pieces of rubbish every day! Think about what a difference this would make!

Register a site or volunteer at an existing site through the region at www.cleanupaustaliaday.org.au or call 1800 282 329.

Council can assist with the collection of your clean up rubbish and supply a limited number of additional bags and gloves.
