Welcome Back To Term 3

Welcome back everyone to the start of Term 3 and a special welcome also to all of our newest members of Bargara State School. Term 3 is great term because we have a lot of activities happening, such as daily learning, NAIDOC Week, inter-school athletics, school camps, Prep swimming and inter-school sport.

Vegetable Garden Beds – Rain Again Tanks

People may have noticed that our old vegetable garden beds have been removed over the holidays and new poly garden beds have been installed. We have 12 new large garden beds and 8 of these new beds were kindly donated by 'Rain Again Tanks' to the school. We are very grateful for this kind donation. This will mean that our students will be able to learn about growing food for years to come. The beds will work perfectly with our greenhouse and undercover work area. There has even been some discussion about chickens!

Report Cards

Mrs Lavender and I are currently reading through every report card ready for them to be sent home this coming Tuesday. The reports will go home in an envelope that was sealed by the class teacher. Students will also be encouraged to not open the envelope until they are home with their parents. If you have any questions or concerns, please do not hesitate in contacting your child's teacher.

Athletics Carnival

This week saw our students compete in the annual Sports Day Carnival. We again encouraged the importance of 'being better than your best.' At the time of writing this piece the days were still to be completed but I look forward to sharing some great participation stories next week.

4 Year School Review

On the last 3 days of Term 2 we had our 4 year school review. The initial feedback was certainly positive from the 3 person review team and we eagerly await the formal report which is due on the 23rd July. This report will outline the review teams commendations and recommendations for moving forward.

School Opinion Survey

Parents will receive an email from the Education Department asking them to complete the 2021 School Opinion Survey. We would really appreciate your honest feedback to help us to be 'better than our best.' The survey opened on the 15th and will close on the 30th July.

Regards

Principal

Hello Families,

Thank you to all families and children for an amazing 2 weeks of Vacation Care!

Now that we are back for Term 3, we require all families to check and ensure they have their child/ children booked in as bookings don't automatically roll over from term to term. You can do this on the ipar-parent portal or check in with Lucy at the service.

Numbers in the morning and afternoon are creeping up on some days, so please don't just assume your child/children are booked in. If you need to book your child/children in please do it ASAP as we can't always guarantee there will be spaces. We have 2 staff members in the morning which allows us to have 30 children, but if we have too many families booking in last minute there isn't enough time to roster another staff member on.

If your child/children are booked in and not attending Helping Hands we ask that you please contact Bargara Helping Hands via email, text or phone call and inform us of this absence. Just a reminder that there will be an extra charge if you do not let us know and we have to go looking for your child/children. So please remember to book in early and inform us of absences. We look forward to seeing you all again real soon!
