## ACKNOWLEDGEMENTS

This week has been **National Volunteers Appreciation Week**. We are so very lucky here at Bargara State School to have a team of amazing volunteers who support our students and school in many ways. From reading with students, supporting Arts and Technology, sight word program, Story Dogs program, tuckshop, fundraising and many other things, our volunteers make a difference! We thanked them this week with beautiful pots put together with Mrs McKay, Mr Jordan, Mrs Campbell and our prep students, Mrs Bentley, Mrs Pearcey, Mrs Kidd and Mrs Zielke. See page 2 for some beautiful pictures of our volunteer appreciation board, the beautiful gifts to say 'thank you' and for some of our fabulous volunteers in action. From all of us at Bargara State School, we say thank you for all that you do!

Congratulations to our Bargara State School representatives at the **Cross Country** trials that were held on Thursday afternoon this week. What a fantastic effort and as a school, we most certainly have done better than our best! Every single person who achieved this opportunity is to be congratulated. Congratulations to Brock G, Zaide B, Jack B, Charlotte N and Ivy T-P for doing a fantastic job. Congratulations to those selected for the reserves team of Will W, Lyla McV, and Tenne B. Congratulations to the following students who were selected for the Bundaberg District Cross Country team who will compete in the Wide Bay trials in Gympie: Indica O, Nick C, Scarlett F, Ivy F and Bailey B. It was noted by many outsiders to our school that Bargara State School demonstrated great strength in this competition, so well done to all! See some great action shots on Page 3!

Congratulations also to our **Kafusi Cup** competitors who competed this week. Although we were beaten this week, we are immensely proud of the commitment and heart we showed to never give up, right until the very end. Thanks to the staff who have supported the team and for Mr Jordan for training and mentoring the team!

Today is **P&C Day**! We are blessed to have an outstanding P&C team here at Bargara State School. Behind the scenes, they are working hard to always provide wonderful opportunities for our students and families. Without them, there would be no Subway, pizza or special food at special events, Mother's or Father's Day stalls, raffles and many more things. I can attest to the absolute dedication of this team as we held our meeting this week. The way our P&C supports our school and our families shines a light on what it means to be a part of a community. THANK YOU for all that you do and for all the time you give to help our school and families. Remember, if you would like to join our P&C, new members are always welcome.

## MESSAGES

The resurfacing and repainting of our JNR and SNR eating undercover areas is now complete. These areas look so bright and colourful and will provide our students a lovely place to enjoy for many years to come. Next on our plan is the area outside Prep A for our Prep students!

Exciting news about an **upgrade to the intersection of Bundaberg-Bargara Road and Seaview Road** to improve safety. Work will include the installation of a guard rail as well as the extension of a 60km/h school zone and a dedicated right-turn lane. This is a great result for our school and will assist in improving the safety for parents and students who use that area for pick up and drop off each day. Works are expected to begin in coming weeks and will take about two weeks to complete, conditions and weather permitting. Work will generally occur Monday to Friday between 6am and 6pm so there may be an impact for parents who use this area from time to time. We will keep you updated as we know more.

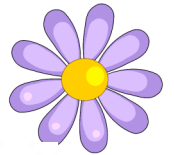

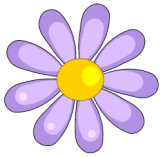

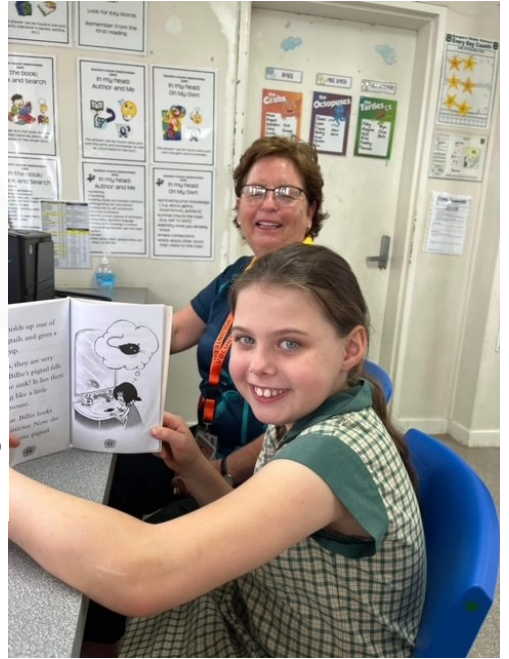

**NAPLAN is done for 2022!** Thank you to our staff and students for their fantastic participation in this event. As we moved to an online program this year, we are pleased to report that we were able to solve all technical difficulties and the tests were completed as planned. A big THANK YOU to Mr Cahill who supported and problem solved to ensure our students could focus on doing better than their best. Well done to all involved!

**Please let us know anytime if you have a good news story to share.** Email us or send a message via Facebook as we would love to highlight and share all the things our amazing students and community are involved in! Have a great weekend everyone!

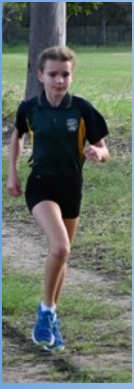

Kind regards, 

Bec Rayner, A/Principal

# CHAPPY NEWS

Hello wonderful Bargarra School community.

I hope you have all had a wonderful week.

Today in Breakfast Club, we welcomed back our wonderful volunteers Steve & Jo! Thank you so much for your time to help us make Breakfast Club more fun and special! We really appreciate and value our wonderful volunteers we have here at Bargarra State School and thank you so much for all your time and efforts!

Unfortunately due to the wet weather the last couple of Friday's, we haven't been able to have Crafty Creations. I really look forward to having Crafty Creations back again next week!

I hope you all have a lovely weekend and I look forward to seeing you all again next week on Tuesday and Friday.

Chappy Ris
